## HARP RENTAL

Hiring a harp is the fastest and easiest way to start playing the harp. It enables you discover the pleasure of playing the harp with the minimum initial financial outlay. For many parents, this can reduce the risk of directly purchasing an instrument. Monthly rentals are approximately 3% of the harps purchase price. Most of harps rented are brand new to the customer, with rental period based on a minimum term of 12 months. Our scheme offers some rental credits towards purchase of the rental harp or a more expensive instrument.

### TERMS

1. Harps Must Be Insured By The Hirer.
2. At the end of the rental instruments must be returned at the Hirer's expense by approved transport.
3. Subject to conditions of agreement. (Strings when broken to be replaced at Hirer's expense).
